

➤ Admin

number	User story
1	As an admin , I want to review and verify institution registrations , so that I can approve only legitimate institutions .
2	As an admin, I want to manage user accounts (suspend, delete, or modify permissions), so that I can maintain platform integrity and user compliance.
3	As an admin, I want to approve or reject aid announcements submitted by institutions, so that only appropriate content is published.
4	As an admin, I want to view all announcements in all their statuses, so that I can track their progress and manage them effectively.
5	As an admin, I want to add new announcements, so that I can inform users of important updates or opportunities.
6	As an admin, I want to edit an announcement, so that I can correct or update the published information.
7	As an admin, I want to search for a specific announcement by institution name or advertisement number, so that I can access it quickly.
8	As an admin, I want to view announcement statistics, so that I can assess engagement and the effectiveness of published content.
9	As an admin, I want to review user-submitted reports and forward the relevant ones to institutions, so that appropriate action can be taken.
10	As an admin, I want to view user activity, so that I can monitor engagement levels and detect unusual behavior.
11	As an admin, I want to view announcement engagement statistics, so that I can evaluate which announcements are most effective and relevant to users.
12	As an admin, I want to view and respond to technical support queries from users and institutions, so that I can assist them and improve user satisfaction.
13	As an admin, I want to view all institutions, so that I can monitor and manage them effectively.

14	As an admin, I want to filter or access institutions by their type, so that I can manage each category more efficiently.
15	As an admin, I want to add a new institution, so that I can register trusted institutions in the system.
16	As an admin, I want to deactivate an institution's account, so that I can suspend non-compliant or inactive institutions.
17	As an admin, I want to edit an institution's details, so that I can correct or update its information.
18	As an admin, I want to view an institution's details, so that I can review its information and make informed decisions.
19	As an admin, I want to view institution statistics, so that I can evaluate their performance and overall activity on the platform.
20	As an admin, I want to view all users, so that I can monitor the platform's user base.
21	As an admin, I want to search for users by email or name, so that I can quickly locate specific users.
22	As an admin, I want to filter users by their account status (active or banned), so that I can manage users more efficiently.
23	As an admin, I want to send a broadcast notification to all users, so that I can share important updates or announcements.
24	As an admin, I want to ban a user account, so that I can restrict access for users who violate the platform's policies.
25	As an admin, I want to unban a user account, so that I can restore access for users who are eligible to return.
26	As an admin, I want to view a specific user's details, so that I can review their activity and profile information.
27	As an admin, I want to send a notification to a specific user, so that I can communicate directly with them when needed.
28	As an admin, I want to view user statistics, so that I can analyze user behavior, engagement, and platform usage trends.
29	As an admin, I want to view all support requests and reports, so that I can monitor and manage all user-submitted issues effectively.
30	As an admin, I want to view the details of a specific support request or report, so that I can understand and respond to the issue appropriately.
31	As an admin, I want to approve or reject a support request or report, so that I can ensure only valid issues are processed or escalated.
32	As an admin, I want to filter support requests and reports by their status or type, so that I can organize and prioritize them efficiently.
33	As an admin, I want to search for support requests and reports within a specific date range, so that I can analyze trends or investigate past issues.
34	As an admin, I want to forward a support request or report to a specific institution, so that the relevant party can take appropriate action.

35	As an admin, I want to view statistics for support requests and reports, so that I can track volume, resolution rates, and common issues.
36	As an admin, I want to view either all support requests or all reports separately based on my selection, so that I can focus on managing each type of issue individually.
37	As an administrator, I want to review and approve/reject verification documents submitted by institutions, so that I can ensure only legitimate organizations receive verified status on the platform.
38	As an administrator, I want to manage verification badges and statuses, including revoking them if needed (e.g., due to reports or policy violations), so that I can maintain platform integrity and user trust in verified institutions.
39	As an administrator, I want to generate reports on verified institutions, so that I can monitor the impact of verification on platform credibility and security.
40	As an admin, I want to view all comments on announcements posted by organizations and users, so that I can monitor discussions and identify any inappropriate or policy-violating content.
41	As an admin, I want to delete inappropriate, offensive, or misleading comments on announcements, so that I can maintain a respectful and trustworthy environment on the platform.
42	As an admin, I want to search for comments by keywords, user name, or announcement title, and filter them by date or report status, so that I can efficiently find and review relevant comments.
43	As an admin, I want to review comments that have been reported by users or organizations, so that I can take appropriate action (approve, delete, or warn the commenter).
44	As an admin, I want to view statistics about comments (e.g., number of comments per announcement, number of deleted comments, most reported users), so that I can track engagement and monitor content quality.

➤ Organization

number	User story
1	As a representative of an organization, I want to register and send our information to the admin, So that the admin can accept or reject the account to verify we are a legitimate organization.
2	As a registered organization, I want to submit an announcement and send it to the admin, So that the admin can approve or reject it to ensure it meets announcement guidelines.
3	As an organization user, I want to track the status of my registration and announcements, So that I know whether they are approved, rejected, or pending review.
4	As a registered organization, I want to be able to view and edit our organization's profile information, So that we can keep our details accurate and up-to-date for beneficiaries and the admin.
5	As a registered organization, I want to view the approval status of our submitted announcements, So that we know whether they are live, pending, or rejected — and understand the reason if rejected.
6	As a registered organization, I want to receive important communications and alerts from the platform administrators, So that we stay informed about platform updates, policy changes, or issues related to our account or announcements.
7	As a registered organization, I want to receive automated suggestions for optimizing my aid announcements (e.g., keywords, formatting, or visuals), So that I can increase engagement and reach more potential beneficiaries.
8	As a registered organization, I want to create and manage multiple types of aid campaigns (e.g., food, medical, educational), So that I can address diverse needs of beneficiaries and organize our aid efforts effectively.
9	As a registered organization, I want to schedule the publication of aid announcements for specific dates and times, So that I can align announcements with planned events, campaigns, or urgent needs.
10	As a registered organization, I want to respond to user comments on my aid announcements, So that I can answer questions, clarify details, or thank users for their feedback.
11	As a registered organization, I want to receive real-time notifications when a new comment or reaction is added to my announcements, So that I can stay informed about engagement and address inquiries promptly.

12	As a registered organization, I want to view interaction statistics (e.g., number of comments and reactions) for my announcements in my dashboard, So that I can assess user interest and the impact of my announcements.
13	As a registered organization, I want to hide or report inappropriate comments on my announcements, So that I can help maintain content quality and prevent offensive or irrelevant comments.
14	As a registered organization, I want to pin a specific comment (e.g., one containing important information) to the top of the comments section on my announcement, So that I can highlight critical details or frequently asked questions for users.
15	As a registered organization, I want to filter comments on my announcements (e.g., by date or associated reaction type), So that I can manage comments easily and focus on the most relevant interactions.
16	As a registered organization, I want to submit verification documents (e.g., official registration certificates, licenses, or proof of non-profit status) during or after registration, so that the admin can verify my legitimacy and display a verified status on my profile.
17	As a registered organization, I want to view my verification status (e.g., pending, verified, rejected) and any feedback from the admin, so that I can address any issues and achieve verified status.
18	As a verified organization, I want a visible verification badge displayed on my profile and announcements, so that users can trust my organization as a legitimate entity.

➤ Ordinary user

number	User story
1	As a ordinary user visitor, I want to see aids and announcements from some organizations on the platform, So that if I want to see any announcement details, I can register as a user to view the details and search for aid opportunities.
2	As a registered ordinary user, I want to be able to search for organizations, announcements, and categories based on filters I apply, So that I can find the information that matches my needs quickly and efficiently.
3	As a registered ordinary user, I want to submit an aid request or job request to one or many organizations, So that I can apply for support or job opportunities from multiple sources. I also want to see the status of my last request and any replies from the organizations, So that I can track the progress of my applications.
4	As a registered ordinary user I want to receive notifications from organizations I have sent aid requests to, And receive updates about announcements from organizations or announcements I have marked as favorites, So that I stay informed about any relevant updates or responses.
5	As a registered ordinary user, I want to be able to mark organizations and announcements as favorites, So that I can easily access them later. I also want to view and remove these favorites in a dedicated tab, So that I can manage my favorite items conveniently.
6	As a registered ordinary user, I want to submit reports about an announcement or organization if I find any issues, And submit help requests if I need assistance using the platform, So that I can contribute to maintaining platform quality and get help when needed. Additionally, I want to view the platform's Frequently Asked Questions (FAQs), So that I can find answers to common questions independently.
7	As a registered ordinary user, I want to be able to edit my profile information, Update my personal details and contact information, Add billing information for donations or transactions, And if I wish, delete my account, So that I can maintain my data accurately or leave the platform if I choose.
8	As a registered ordinary user, I want to add a comment to an aid announcement,

	So that I can ask questions, provide suggestions, or share feedback about the announcement with the institution and other users.
9	As a registered ordinary user, I want to edit or delete my comment on an aid announcement, So that I can correct errors or remove my comments if they are no longer appropriate.
10	As a registered ordinary user, I want to add a reaction (e.g., "Like," "Support," or "Interested") to an aid announcement, So that I can express my interest or support for the announcement without needing to write a comment.
11	As a registered ordinary user, I want to view the number of reactions and the content of comments on an aid announcement, So that I can gauge community engagement with the announcement and understand other users' opinions.
12	As a registered ordinary user, I want to receive notifications when someone (e.g., the institution or another user) replies to my comment, So that I can stay informed about discussions related to my comments.
13	As a registered ordinary user, I want to report inappropriate or misleading comments on an aid announcement, So that I can help maintain the quality and integrity of the platform's content.
14	As a registered ordinary user, I want to see a verification badge or status on institution profiles and announcements, so that I can identify legitimate institutions.
15	As a registered ordinary user, I want to filter search results to show only verified institutions, so that I can prioritize credible organizations.
